Deficit as of June 30, 1960		$2,795.95

DANIEL A. MURPHY,

DONALD V. RUSSELL,

ALBERT H. DELLIVENERI,

Auditors.

RUTLAND TOWN SCHOOL DISTRICT
REPORT OF THE SCHOOL DIRECTORS AND SUPERINTENDENT

After the close of the school year, the Superintendent of Schools and your Directors immediately inspected all buildings and determined the amount of work necessary to bring the buildings into a satisfactory condition for the present school year. There follows a report of the work which was done prior to the opening of schools.

Center Rutland School

All broken glass was replaced. The basement floors and walls were repainted and all floors were washed and sealed. The stairway walls to the basement, black board and bulletin boards were repainted, as well as the walls in the main hall and in two of the class rooms. The rear stairway was reconditioned and painted where needed. Extensive repairs were made to the heating system.

Cheney Hill School

Replacements were made where needed on the slate roof. All broken glass was replaced, as well as some of the light fixtures. The basement floor and walls were repainted as needed. The heating system was thoroughly checked and some repairs made to it. All floors were washed and sealed. Other repairs were made where needed.

Dyer School

Replaced all broken glass. Washed and resealed floors. All walls and windows thoroughly cleaned. Basement floor, walls and kitchen cabinets repainted, as well as the south end of the building. Heating system thoroughly checked and properly repaired.

Haiti School

It was found necessary to replace broken glass, missing shingles, window screens and many other small items. Considerable painting was done on the interior of the building, including the basement floor and walls. All floors were thoroughly washed and sealed and all walls and windows were cleaned. The heating system was checked and some repairs made.

In addition to the above, we purchased some desks and chairs. We also purchased a 26 cu. ft. Hotpoint freezer and installed same at the Center Rutland School. This freezer is used to store the food that is given to the district through State offices. An additional four burner Domestic range was purchased and installed at Center Rutland School. New stage curtains were purchased for Center Rutland School, and these were partially paid for by funds raised by the Center Rutland School, the balance coming from the School funds.

For the past several years, we have voted a sum of $80.00 for a scholarship at the Castleton Teachers College. This year, the scholarship was awarded to Elizabeth Olson.

Other school activities:

Center Rutland School. The dental clinic, sponsored by the Rutland Town School Board, was under the capable chairmanship of Mrs. Clarence Olson, who reported that a total of 124 children from all of the town schools received dental treatment. The dental hygienist was Mrs. Alan Knickerbocker.

In November, 90 children received their fourth polio shots. Pre-school and high school students were included.

The members of the P.T.A. have generously donated time and assistance at the health clinics, testing vision and hearing, obtaining vitamin pills, helping with the hot lunch program, sponsoring parties for the school safety patrol members, Christmas party, end-of-the-year picnic, and flowers for the eighth grade graduates.

During the past year, 8,765 meals were served to school children and to 270 adults. Many thanks are due Mrs. William Sharp, Jr., who not only prepares the meals but assumes full responsibility as hot lunch chairman.

Purchases for the school consisted of a new kitchen stove, a deep freeze for the use of all schools, a second-hand piano, and curtains for the stage.

School activities which give students an opportunity to develop leadership, accept responsibility, respect authority and learn to consider the rights of others may be found by active participation in the student government association, student council, safety committee, school safety patrol and the school lunch program.

Other activities include work in the glee club, music festival, school paper, assemblies, the state forestry essay and soil con-

servation essay. Lawrence Morse, eighth grade student, was the district second prize winner in the forestry essay contest.

Field trips were taken by the third grade to Seward's Dairy and Paul's Cleaner and Tailor, Inc. and by the fifth grade to the Rutland Daily Herald. Fifth grade students have also had the opportunity to obtain books at the Rutland Free Library every Wednesday after school. Mrs. Eleanor Belding furnishes transportation for her students.

Four students from Castleton Teachers College did their practice teaching at the Center Rutland School.

All faculty members have taken extension courses at Castleton Teachers College during the school year.

Cheney Hill School. February (1960)—A valentine party was held at the school with pre-school children, expecting to enroll at Cheney Hill School in September, as guests.

April—The annual music festival under the direction of Mrs. Geno was held. This was a variety program.

June—Step-up Day was observed the last week of school. The third grade visited the Center Rutland School. Prospective first graders to attend Cheney Hill School visited our school. Also, the annual school picnic was held the last week of school.

October—The annual Halloween party was held at the school. Decorations, games and stunts, also refreshments, were planned by committees made up of third grade pupils. It was an enjoyable party and, best of all, gave training in cooperation and leadership.

November—The school lunch program started in this month. Nourishing lunches are served daily. The chairman of the school lunch program, Mrs. Lee Young, is to be congratulated for her painstaking work in organizing and managing the program so well. We are also grateful to Mrs. Champine, who prepares the lunches.

During American Education Week, many parents visited the school to observe the regular school work.

December—The pupils presented a Christmas entertainment at the school building. This was a variety program of songs, a rhythm band selection, recitations, dialogs and plays. A Christmas party was held at the school for pupils. Gifts were exchanged and refreshments served.

January (1961)—As a culminating activity, following a unit in Social Studies based on "Community Life," the third grade,

accompanied by their teacher, the student teacher and two parents, went on a field trip to Rutland. First, they visited the Rutland Library where the children's librarian, Mrs. Barbara Douglas, gave an interesting talk on books and showed the children the card catalog, explaining its use, also the indexing and arranging of books on shelves. She also showed a movie to the boys and girls.

The pupils then visited the post office, where they purchased stamps and mailed letters, which they have previously written. This year, for the first time, they were invited to go into the back of the post office, where a supervisor took the group around and explained very fully the work that goes on daily. Finally, they visited the fire station and were taken on an interesting tour of the premises, accompanied by a fireman who answered questions, showed much of the equipment and explained about the fire department and the work of the firemen.

Dyer School. Student activities and special programs included trips to the U. S. Fish Hatchery in Holden, Vermont, a visit to the city library and a nature study trip to Bald Mountain.

The Dyer School Parents' Club has sponsored the school lunch program, school dances, weekly card parties and the annual school picnic at Lake Dunmore in June. The Parents' Club has generously assisted at health clinics, ear tests and parties at Halloween and Christmas time.

The school savings plan, in cooperation with the Marble Savings Bank, has been in full operation with 90% of the student body taking an active part in saving. The children to date have saved $362.00.

A school "safety day" was held in May, when a member of the Vermont State Poli e was on hand to show safety films on bicycle riding. Two new bicycles were on exhibit, and the manager of the Firestone Store in Rutland was on hand to explain the need and care of bicycle safety.

A capacity audience enjoyed the annual music festival held in May. The festival theme, "Wonderful World of Music," depicted songs and dances of foreign countries.

Other student activities include work of the school safety patrol, school newspaper, holiday observances and a school monitor system.

Haiti School. The third grade pupils enjoyed a field trip last spring to the fire station, post office and library.

During the last week of school, the first and second grade pupils invited the children of next year's entering class to spend the day with them at school. This was exciting and beneficial for all.

The school picnic was held at Lake Dunmore with pupils of Dyer School.

During "Book Week," all classes visited the Rutland Public Library. Several mothers helped by providing transportation.

The members of the Community Club continue working for the hot lunch program and health clinics.

Very interesting programs have been presented at the meetings.

A tabulation of future enrollments, estimated from including pre-school children in the annual census, is given below. An effort is being made to use these figures to determine when additional class room space may be required as well as to plan the allocation of children to their particular class rooms in any of the four school buildings.

	1961	1962	1963	1964	1965
Center Rutland	12	11	9	6	7
Cheney Hill	8	5	9	10	7
Dyer	2	2	1	1	2
Haiti	9	4	5	6	4
Mill Village	2	3	3	2	4
Post Road	..	4	2	3	1
	33	29	29	28	25

Information of a statistical nature will be found in accompanying tables having to do with finances, school enrollment, 5 year average cost per pupil, average daily attendance, lists of eighth grade graduates and teachers and their remunerations.

Our efforts to retain high educational standards have shown favorable results among the eighth grade graduates attending various high schools. The supervisory program seeks to have all teachers employ effective methods in dealing with present day demands in the subject fields. Standard tests are used to supplement other means of measuring pupil progress.

The transportation of pupils has continued with about the same routes as last year. We commend the Stowell Transportation Company for the fine manner in which they have conducted

this service with the larger vehicles; and the three private drivers for their continued satisfactory services on their respective routes.

Each school lunch project demands the help of certain adults under joint sponsorship of the schools and community organizations. We greatly appreciate the work of the officers, members and workers of these groups in making hot lunches available to the children. A generous amount of food commodities has been received from the State this past year, for which the expense has been only the cost of storage and freight.

We commend the P.T.A. and other parent groups who have made contributions to the cost of the hot lunch program. This year, each district was short of funds to start their program so donations were made from school funds to each district, with the understanding that the aforementioned groups would continue to raise money as they have in the past, and any surplus funds would be returned to school funds at the end of the year.

The chairmen of the hot lunch program are:

Center Rutland School:	Mrs. William Sharp, Jr.
Cheney Hill School:	Mrs. Lee Young
Dyer School:	Mrs. Kenneth Bucklin
Haiti School:	Mrs. Robert Pinney

The employment of competent teachers, the providing of necessary transportation, the cost of tuition for higher education, as well as providing heat and all other items, steadily increases year after year. A comparison of these costs is of interest. The budget for the school year 1950-51 was $45,500 and for 1961-62 it will be $109,180. During this period, our Grand List has increased approximately 20%.

To maintain our present school system for the grades and to pay tuition for the students attending high school, it is requested and recommended that a tax of $3.30 be voted. We point out that notwithstanding the fact that our expenses will exceed those in the previous year, it is expected that unless there is an emergency, the aforementioned tax will be sufficient to cover the expense for the coming school year. We do receive a considerable amount of State aid and expect approximately the same amount of aid this year as granted in the past year. However, the present Legislature will give study to the present method of granting State aid, and it may conclude that in the future we will not receive as much State aid as in the past.

We express our appreciation to the P.T.A. associations and parents' groups of the several districts, to the teachers for their efficient and generous services, and to all others who have in any way contributed to the successful operations of our schools.

Respectfully submitted,

ALVA T. HOWE,

ANNA Y. BIRCHARD,

MYRON J. BEEBE,

School Directors.

FRANK O. STILES,

Superintendent.

WARNING

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland, on Tuesday, March 7, 1961 at ten o'clock A.M. to act on the following matters, namely;

1. Shall the voters empower and authorize the Selectmen to appoint one or two Road Commissioners?

2. Choose all necessary officers required by law.

3. Shall the Town vote to raise money by tax or otherwise to pay current expenses of the Town, Overseer of the Poor, Highway, County and Fire protection? If by tax, how much?

4. When and to whom shall the taxes be due and payable?

5. Shall licenses for the sale of Malt and Vinous beverages be granted in this Town?

6. Shall Spirituous liquors be sold in this Town?

7. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?

8. Shall the Town vote to take advantage of the extra One Hundred Fifty Dollars ($150.00) per mile granted to the towns of the State, provided the Town spends not less than Twenty Five Dollars ($25.00) per mile of their own money on Town Roads outside of Winter Maintenance as provided by Sec. 2, No. 108 of the acts of 1951?

9. Shall the Town vote its officers salaries? If so, how much?

10. Shall the Selectmen be authorized to enter into an agreement with the City of Rutland, for the use of the City Dump, based on population, at the rate of 40c per person with the minimum of not less than Five Hundred Dollars ($500.00) annually, subject to the rules and regulations governing the Rutland City Dump?

11. Shall the Town School District vote to raise money by tax or otherwise to pay current expenses of the School District? If so, how much?

12. Shall the School Board be authorized to borrow money in anticipation of taxes? _____

13. Shall the Town School District pay tuition for the Higher Education of the Scholars of said District? If so, how much?

14. Shall the Town School District vote a sum of money not to exceed Eighty Dollars ($80.00) for a scholarship to be awarded a worthy high school graduate of Rutland Town, who wishes to enter an institution of higher learning, particularly a Teacher's Training College?

15. Shall the Town vote to secure the services of the Rutland City Fire Department?

16. Shall the Town vote to approve an appropriation of One Thousand Five Hundred ($1500.00) to secure the use of the Rutland Free Library to the inhabitants of the Town?

17. Shall the Town vote to spend Two Thousand Dollars ($2000.00) (this amount to be returned to the Town from sale of lots) for the four acres of suitable property adjacent to the Cheney Hill Cemetery for expansion of that cemetery?

18. To transact any other necessary, legal and proper business, which may come before said meeting.

19. Shall the Town vote to have Pari-mutuels?

Articles No. 1, 3, 4, 9, 11 and 13 will not appear on the Australian Ballot and will be taken up at 1:30 P.M. The polls will close at 3:00 P.M.

Rutland, Vermont, February 22, 1961.

Grand List $25,034.10.

W. N. SHARP,
BYRON J. HATHAWAY,
WALTER J. PATCH,
Selectmen.
